

HANDY GRIP GALVANIZED CANS for oil and gasoline have Triple Lock body seams that prevent leakage. The Handy Grip caps assure easy opening. Large spouts. Sturdily built for long service. 5 gallon capacity. Also made in 1, 2 and 3 gallon capacities.

WELDED STEEL CANS for oil and gasoline. Built for heavy duty. Seams are acetylene welded. "Handy Grip" cap. Guaranteed leak-proof. Tested under air pressure. 1, 2, 3 and 5 gallon capacities.

EAGLE CANS AND OILERS

All Sizes - All Styles - For Every Purpose

Eagle Cans are sturdily built of galvanized or welded steel. Eagle *Galvanized* Gasoline and Oil Cans have: Handy-Grip Caps, Triple Lock Body Seams, Wide Mouth Filler Openings. All are made from Standard Gauge Prime Galvanized Sheets.

Eagle *Welded Steel* Gasoline and Oil Cans are built for heavy duty. Bodies are drawn from 24 gauge steel. Acetylene welded. No solder used. Bottoms reenforced with steel bands. 1/2 to 5 gallon capacity with various pouring arrangements.

Eagle Oilers are available in All-Metal or Transparent Styles. *Eagle Oilers* have seamless drawn bodies, precision rolled or machine cut threads, and leak-proof construction throughout. Rigid or flexible spouts may be had in a variety of styles and sizes.

Eagle Oilers with *Transparent Bodies* are the modern oils for mill, factory and farm use. They save time and prevent mistakes. All have *double-seamed* leak-proof bottoms. The plastic body material is unaffected by oil, gasoline, or kerosene.

FLEXO-SPOUT FILLER CAN. For boats or for general use. Valve and air vent operate automatically. Available in 1 1/4, 2 1/2 and 5 gallon capacities.

TROWELS. Eagle Trowels are made of hard, bright steel. No rivets. Improved design gives perfect balance. Three styles: Pointing, Brick and Plaster.

JEWEL ASSORTMENT. Displays 2 dozen Improved Transparent "Scan-Cans." Assorted sizes of these popular oils in Red, Green, Blue, Amber and Crystal.

SOLDERLESS TRU-BLUE OILERS with seamless drawn heavy steel bodies. Durable blue finish on bodies assures easier grip. Carbon steel bottoms seamed to bodies. Most economical oiler for Mills, Mines, Factories, Foundries, Garages, etc.

IMPROVED HYDRAULIC PUMP OILERS that far surpass all others in ease of operation, serviceability and durability. Pumps any kind of oil. Seamless drawn steel bodies. Acetylene welded spouts. Coppered finish. Available with upright, angle or flexible spouts.

113F FLEXIBLE SPOUT OILERS for hard-to-reach oiling vents. Copper plated steel with reinforced insert type spouts. Drawn seamless steel bodies. Spring steel bottoms. For farm, household, or shop use.

RAINBOW DISPLAY. Displays 1/2 dozen Improved Hydraulic Pump Oilers. Enameled Red, Green, and Blue in equal quantities. Popular size. Fast moving merchandise. 3/4 pint capacity. 6" Welded Steel bent spouts.
